25X1

25X1 2. [redacted] At his request, delivered to Representative Clarence Cannon, copy #5 of the Agency's budget. Mr. Cannon indicated he desired to retain this copy in his office until the end of the week at which time he will call us to have it picked up. ✓

25X1 3. [redacted] In response to a written request from the Chairman of the House Immigration Subcommittee, delivered to Walter Besterman blind memoranda and copies of other memoranda concerning the cases of [redacted]

25X1 Besterman was most appreciative of this material and commented that he was handling this matter. He also mentioned that the presiding

25X1 judge naturalized [redacted] notwithstanding objections voiced by the Department of Justice.

I took this opportunity to remind Besterman that we still had not received from Jim Cline, on his staff, the forms which were necessary for us to have in order for us to process a security clearance for Cline. Besterman said he would talk to Cline about this and thought Cline had just forgotten about this.

25X1 4. [redacted] Talked with Victor O. Reineimer in the office of Senator Lee Metcalf in connection with the previous inquiry on an alleged statement by Khrushchev. I indicated a letter was ready on this and the substance of our letter was that we could not identify this as having been said by Khrushchev. I mentioned several other points which our letter covered. This seemed to satisfy Reineimer and the letter will go forward in any event.
